Personal and Career

My career vision is to establish myself as a distinguished UI/UX designer renowned for crafting innovative and user-centric digital interfaces. I aspire to leverage my expertise in design principles, user research, and emerging technologies to create seamless and engaging experiences across various platforms. By continuously refining my skills and staying abreast of industry trends, I aim to make meaningful contributions to organizations, pushing boundaries to redefine standards of usability and aesthetic appeal in digital design. I also want to be awarded Professional Technologies by the Malaysian Board of Technologies (MBoT)

About

Recently graduated with a Bachelor of Computer Science, majoring in Media Interactive, which equipped me with a solid foundation in digital media technologies and user-centric design. I am actively seeking a job opportunity where I can apply my academic knowledge to real-world projects and gain practical experience in the dynamic field of **UI/UX design**. I am deeply passionate about continuous learning and thrive on exploring new technologies and creative solutions, making me a dedicated and adaptable candidate ready to contribute and grow within a forward-thinking organization.

Experiences

- **Mothers First Choice** 2023-2024

Internship

My objective for this internship is to revamp the company website with a modern and enhanced design aimed at optimizing user experience, thereby increasing traffic and conversions.

- **Malaysia ICT Volunteer** 2023

Volunteering

Serve as a helper within a program aimed at promoting digital and media literacy, played a pivotal role in empowering citizens to participate effectively, ethically, and responsibly in the digital age.

- **FOUNDATION OF USER EXPERIENCE (UX) DESIGN** 2023

Gained foundational knowledge in UX/UI principles and Hands-on experience in usability testing and applying design thinking methodologies.

- **MBMB-UTEM CODING CHALLENGE 2022 (CODE.ORG)** 2022

Volunteering

Serve as committee, evaluate and ensure the fairness and integrity of the competition, promoting innovation and excellence among participants.

- **MBMB-UTEM CODING CHALLENGE (PHYTON)** 2022

Volunteering

As a committee member in the coding challenge, I'm dedicated to fostering a collaborative and inclusive environment that encourages participants to showcase their coding skills and creativity.

- **MBMB-UTEM ROBOMANIAC CHALLENGE 2022** 2022

Volunteering

As a committee I ensure the event runs smoothly and showcases the incredible innovations in robotics
